“ Marjorie, I, RHS Class of 1950 and you 1951. A lot of water has pass under the bridge since then. However, a few years ago, probably 7 or 8, I went and visit with you and your husband and did have a good visit. I was hoping to go today, but don't seem like it. So my sympathy to you and your family for such a great lost. I didn't meet your family but please give them my best. a friend from years back...
