“ Mrs Helen was the strongest person I've ever met. I met her when Zack was in Edge and she started coming to our Edge nights. Before long She ended up on the Edge Core team at St Joes. There were many times she would dog sit for me and I'd come home to a freshly bathed pup. She also never missed calling me on my birthday. She had a deep love for her family and her community. She was a lovely God fearing woman. RIP Mrs Helen

*Ms. Helen was the most faith filled, strongest woman and an example of not giving up. I have had the pleasure of knowing Ms. Helen for many years. I first met her when she volunteered at CCD, then VBS and as Zack and Shelby and the rest of her grandchildren got older she came on board at EDGE and then off to LIFETEEN. She definitely was an asset to all the ministries at St Joseph. Then after that I still had the pleasure of being with her when she would call me at Trahan's every Friday to save her a piece of fish. When she was having such a hard time walking I would tell her to just call and I would bring it out and she would say no baby praise God I am able to walk and I am. She was a very special lady to me and I will miss her. To all of her family I extend my condolences because you have lost a jewel and heaven has gained a very special angel...RIP Ms. Helen.*
