“ Mousey will be so missed. She was a wonderful friend to me and I enjoyed all our times visiting on the phone. The last time we spoke was her birthday this last May 2014.

I met Mousey when I returned to New Orleans to care for my mother Marcella "Cella" Bridges in 2001.

I enjoyed my times with Mousey in Metairie and visiting her in Rayne. We just chatted, or went for lunch and treats like French Market donuts, or a roast beef po-boy, or fresh oysters and also a little bit of casino fun too. Mousey always called eating out: "committing gluttony" _ She would say "Hey how about going out and committing gluttony?" She had some very funny phrases and a good sense of humor.

“ What can I say about Mousey? She was an awesome person. She was a close friend of my mom, Joyce Fauchaux. There was a group of ladies that when they got together, it was so funny. They were always there for each other. Mousey was everybody's best friend. Deepest sympathy to her family.

“ *I was so sad to hear of Mousey's passing. Mousey's was a close
friend of my Mom, Nancy Krause, and sister, Marla Krause. They
were neighbors in Metarie. She came to my house for my sister's
partners funeral, and my Mom's funeral. She brought to much joy
and laughter to my Mom. I know my Mom now has a friend in
Heaven making her laugh! RIP Mousey!*

“ *"Mousey", through her goodness, genuiness, and kindness, left her
footprint on all whom she touched. She will be missed, but we know
we have a special angel in heaven. She has left her mark on all of
those who have been fortunate enough to call her friend.

“ My condolences to the entire family of the loss of such a dear person. Mousey, as i have only known her, always had a smile on her face. In the years that I was first a camper and then later a counselor at Camp Maryhill, she remained one of my favorites. Always willing to go the extra mile and with a terrific sense of humor. You the family and she will be in my prayers.

“ My condolences to the family on the loss of such a special person. You will all be in my prayers at this sad time.

Mousey and I met at SLI when I was a Freshman and she lived across the hall from me. The friendship that began then continued through the years. Her sense of humor was endearing. She wrote me and sent a clipping around June 8 and calling her was on my mind every day.

*My husband is not well and getting there for the funeral is therefore a problem but my heart and prayers will be with you.
May she rest in peace!*
