It meant the world to us and showed us how strong a love and bond is between a parent and his children. “ We have been so blessed to be a member of Herman P.'s (as we lovingly called him) family. His unwavering support and faith guided us through our lives and shaped us into the adults we are today. The greatest Christmas gift we've recieved this year is knowing that he is at peace. Our hearts are broken, because we know how much we'll miss you, but we take comfort in the fact that you knew how much we loved you and you loved us. Always in our hearts and now a guiding angel to help us through these difficult days ahead. Thank you for being the man you were to my mother and to us. We've always said that there would be a special place in heaven for you and we take comfort in knowing you're there. Love you always... A special thanks to all of you that will visit and prayer for us...we appreciate it and will need it in the coming days.
