“ Vanessa and family,

Please accept our heartfelt condolences on the loss of your mother.
She was a loving, soft-spoken, beautiful person and was loved by
everyone who met her. I have fond memories of our play dates in
our younger days and always felt welcomed into her home. I was
truly blessed to have known her.

May your grief be lightened in time but your memories grow
stronger. I hope you all find comfort in knowing she is safely home
in the arms of Jesus.

Sending prayers to all of you

I have thought about you over the year and smile because you were the BEST granny ever and so loving. You were not my granny by blood, but you treated me and loved me like your "real" grandchildren. I know your loved ones will miss you greatly. Love always, Angie
