“ I love you all so very much. Your family started out as neighbors in 1961 and evolved into so much more. Your mom and dad were blessings to my family. They provided me a home when I was without. Aunt Hilda was an extraordinary woman. A devoted wife, loving mother and capable business woman. I don't know how she managed so much in one day. She was mom's best friend. A true treasure. May God wrap you in his arms during your grief.

“ To the family I am so sorry to hear about the passing of Maw Breaux my heart and prayers go out to all of you at this time. I will always remember her beautiful smile even though I wasn't her real granddaughter she treated me the same as though I was, and I thank her for that. You are now at peace. May God Bless all of you.
