“ *To my dear friend from Bosco (now Mire) Elem. days. Allen, we had drifted apart for years, then we met somewhere in Bosco for some benefit I think. Since then we see each other occasionally however not that often. But my best remembrance was when my Brother Lester and I went and visit you and your wife. She was so nice serving us coffee and all. A day I have always treasured. So my friend my deepest sympathy to you and your lovely family..New Iberia is where I have been living for 50 somewhat years, but I'm still from Bosco. Sorry I can't attend. Deepest regard to a friend I will always remember. Voorhies*
