With God I Went to Be

*With God i went to be and i will ever Be. He is my rock and salvation i know many will miss me. Please don't morn for me to long because i am with God in heaven on high. I will be in ur heart always and i know u will be missing me. I shall be waiting for u to come meet me in heaven when ur day comes for u to meet me. I Want peace and rest because with God i went to be and i will ever be with him. Life is to short so don't waste it live it while u can. I knew my time was near when God called me home i'm just resting waiting to see my God. But remember that i'm not suffering anymore for with God i am and will ever be. My God loved u and me and he is making a pace for u like he did me. I will be waiting to see u again remember i'm in ur heart and i'm with u in spirit. For with God i went to be and will ever be with him.

Psalms 23:1 The LORD is my shepherd; I shall not want.

Psalms 23:2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.

Psalms 23:3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Psalms 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Psalms 23:5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Psalms 23:6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever.

“ *Hanna & Zac - I know this has been such a hard fight and we all had high hopes for recovery and for Jack to live a long life. I can't imagine the pain you feel and heartache you are dealing with. I know Jack is where he needs to be but I know it's not fair or right for him to leave so early in his life. I know God says there is a reason or he would still be here but I'm just not understanding what it could be. Although I never met Jack I felt him in my heart through all the Facebook post. I worked with your mom Kim at ULL for many years. Wish I could take your sorrow and heartache away. My thoughts and prayers are with you all.*

“ From the moment Jack and his family arrived at St Judes we became family. Not only did our toddlers fight against the same disease they also came from the same area and that made it easier to talk about our situation with them. Jack was always shy around Farrah but those big blue eyes and his blanket were always calming. His love for Thomas the train will always be remembered every time my 1 yr old asks for a "too too". With great parents who loved him very much it was easy to see that although his age was young he had experienced a lifetime of love in those 3 short years. We know that he will be forever missed and no matter what we will always tell Farrah about Jack so that he can live in our hearts forever
We love you little man and will always remember you.

“ *Hannah and Zackary*

I am so sorry to hear about Jack's death. I never knew him personally, but got to know him and his parents by following their journey. He was such a beautiful, sweet and brave little man. Jack and you Hannah and Zackery were an inspiration to us all. In his short little life he taught all of us so much.

I know he is in Heaven, running and smiling his sweet little smile. God took a beautiful angel into his arms last night.

Hannah and Zackery and all your family, I will continue to have you all in my prayers. May God bless you.

“ *I have followed your story over the years, it always touched my heart as you were but 1 week older than my Maddyn. I had hoped we would get to meet you one day...and I am so terribly heartbroken we did not get that chance. May God lift you in his arms. Rest in Peace, sweet child.*

*Hello there my sweet Daddy
It's your Angel up above.*

*I know that you can't see me
But I hope you feel my love.*

*I made my journey home
I'm as safe as a baby can be.*

*The only thing that is missing
Is having you up here with me.*

*I know that you are sad
And you think of me each day.*

*I'm safe up here in Heaven
Where Jesus and I play.*

*I watch over when you're sleeping
I clasp my little hands and pray.*

*That God will give you comfort
During the time that I'm away.*

*You had dreams to watch me learn
Dreams to watch me grow.*

*But never had you dreamt
That you would have to let me go.*

*Being apart is the hardest thing
That we'll ever have to face.*

*But up here in Heaven
I have a special place.*

*I know that you don't understand
Why I had to leave.*

*But if you listen really close
You'll hear my whispers in the breeze.*

*So on those days when you are sad
And you think you can't go on.*

*I close my eyes and pray that God
Will give you strength to carry on.*

*Daddy, I love you oh so much
But now I have to go.*

*He promises to keep me safe and warm
until the day he calls you home.*

*And until the day that you come home
We'll be preparing a place for you.*

*A place so beautiful you cannot imagine
Where the streets are paved with gold.*

*A place where we can run and play
With hills for us to roam.*

*I'll meet you at the gates Daddy
With all my Angel friends.*

*Oh Daddy I forgot to mention
God will be there too with His precious Son.*

*Daddy, God wants me to tell you
That He is very proud.*

Your loyalty and strength in faith

Has not gone unseen.

*You will be blessed and protected
For all eternity.*

*God is calling softly Daddy
It's time for me to go home.*

*So Daddy dear remember please
That I am always near.*

*I love you very much Daddy
I'll be okay until you get here.*

*So remember Daddy, listen close
You'll hear my whispers in the breeze.*

*You'll hear my little giggles
As the wind tickles the trees.*

*You'll hear me laugh and squeal with delight
As other children play.*

*These are my gifts to you Daddy
So you'll know I'm near everyday.*

*Daddy, God is calling again
I really must go home.*

I love you my sweet Daddy!
