“ May you take comfort in knowing an angel is watching over you. It's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seem's like you can never recover from your loss it is these very memories that will help push the pain away and bring back the smiles.

God bless you all , Robert and Pat Gutierrez

“ Mrs. Haure and the Haure Family as well as extended Family, It is with a heavy heart that I give you my condolences. I will be praying for all of you. It is very hard to let go of anyone that is loved so much. Gather around and remember all of the good times, share pictures and reminisce. Eddie and I really enjoyed Curney, his accent and the way he said Eddie's name. We smile everytime we think about him. We enjoyed him being part of our extended family and really enjoyed when you came to Albuquerque for the Balloon Festival. Our prayers are with you and your family. May God Bless you, Margaret and Eddie Sanchez

“ *My deepest heartfelt sympathy for Miss Hilda and family! I only met Mr.Curney and Miss Hilda a few times, but my Mom, Mary Meche, loved them both! They played cards together sometimes at Moma's house and she thought the world of them! They helped her so much when she was alone at her trailer! She is in Southwind now, and I know she will take this very hard! Moma spoke so highly of them both!*
