“ James was a really good family friend! He was also kind, as generous as he could be. I believe he felt loved and warmth when he was with us. He will definitely be missed during holiday seasons as he was more than a friendly friend, he really was family! He was a good man, a good friend, a wonderful addition to our family!

“ Jim was a dear friend & loved. He was always so good to my mother & she really appreciated that. He always shared stories that he had heard in Duson . 🤔

Oh no! Just recently I honked my horn at h8m while I passed in front of his house. He was always friendly and had a nice smile on his face. May God wrap him in his loving arms and bring him home to him.
