“ *Marlene, Roxanne, and Carolyn,*

My sincerest condolences. I have no idea why we go through these contrasts here in life. Dear Marlene, thank you so much for being the very good person you are here in life and in my life in particular. I know I speak for my sister as well, who may not be able to tell you how much you mean to her and how much she loves you. Please know I love you also.

God needed another angel and Jamie was his choice. He is well now and I believe he wants you to be well too. Please contact me if you need to talk. I am here and I welcome your continued friendship. You may contact me through Tara as she has my numbers and email address.

Please be well for all your family and friends.

Much love to you.

“ Dennis & Marlene - I am so very sorry for your loss. Do know that my prayers are with you in this very difficult time. Please read this passage below and know that Jamie is with you always. Godspeed!

*Last night while I was trying to sleep
My son's voice did I hear.
I opened my eyes and looked around,
But he did not appear.
He said: Mom you've got to listen,
You've got to understand;
God didn't take me from you, Mom
He only took my hand.*

*When I called out in pain that day,
The instant that I died.
He reached down and touched my hand,
And pulled me to His side.
He pulled me up and saved me,
From the misery and the pain.*

*My body was so badly hurt,
I could never be the same.
My search is really over now,
I've found happiness within;
All the answers to empty dreams,
And all that might have been.*

*I love you all and miss you so,
And I'll always be nearby.
My body's gone forever
But my spirit will never die!*

*And so, you must all go on now,
Live one day at a time,
Just understand!
God did not take me from you,*

He only took my hand.
