“ My dearest brother Jay, time has gone so quickly yet feels to have not moved at all. Grief still hangs heavy in our hearts because we still miss you so much. On our last visit together, I held your hand and told you that I am sorry that this happened to you and I mean it still today. I miss you Jay. I don't think it will ever go away. Wait for me, won't be long

“ Betty and Daddy, Thank you so much for the care you gave to my beloved brother Jay. He will be so sadly missed by us all but none more than you two. I wrote on my facebook, It's so sad when loved ones die but when we let go ANGELS LEARN TO FLY. Jay was very special in his own way. For much of my childhood, he was all I had. He gave me my passion for learning. Peggy, thank you for being there for Jay and now for them. He thought the world of his family. Love you forever Bubba!
