“ Jeanette was a friend, teacher and mentor. I'll never forget the time I spent at her studio -- she taught me so much more than dance. I'll always remember her smile, her spunk and her sense of humor. Thanks, Jeanette for teaching us so many important life lessons. You will always hold a special place in my heart. Prayers for your girls.

“ So saddened to hear the news about Jeannette's passing away. I have many many childhood memories of her and spent years with her in her dance studio. She always had such grace and poise even when she had to deal with a bunch of talkative teenagers :) I hope she knows how much she inspired me. Thinking for Blasia, Megan and Blaire today and keeping y'all in my prayers. I know she will be greatly missed. God Bless

“ Jeanette was the ultimate dancer and taught my daughter and niece dance for many moons, dance rehearsals were an orchestrated plan, we had to get the hair, costumes and makeup just right, do many wonderful memories, she not only taught them she taught them how to be confident, well mannered young ladies and for that I'm forever grateful, she was amazing woman who took care of everyone in her family, I know your dancing once again!!!!

“ A good friend of mine, and fun person. I spent many of nights at her home while we were classmates in school. Years have passed due to loss of contact after high school, but a very sweet and kind person. I will always remember her smile, and this picture posted by Megan is the Jeanette that I can remember from high school. My sympathy to her girls, and their family. May God give them peace and comfort for the sadness and emptiness they are enduring during this time for the loss of their loved one. Deeply shocked to hear of her battle with cancer, and death. She is with God and resting peacefully. Sadly missed .....Rose Mary Brown, Opelousas, La
