“ *My condolence to the family. I do remember the Prather's very well when they lived in Washington. John was a classmate of mine. In the third grade we walked from school to the Prather home to watch the coronation of Queen Elizabeth on TV. Probably the only one in town at that time. Mike, Glenn Pitre is my husband, and Jake was a very dear friend. Please accept our deepest sympathy.*

“ *To the Family....So sorry for your loss...Many times we live our lives not knowing when or where a sudden illness or accident may strike. (Esc 9:11) I am so sorry to hear it came your way. This world continues to be so cruel but the bible says that death does not end it all. We will eventually be united with them again because The Lord says soon the hour will come when I call out their name and they will rise one day. (Johm5:28, 29) So may he continue to give you all the peace that excels all thought.*

“ Jeanette Marie was such a loving person. She was my mother's (Pat Foster) first cousin and good friend. I always will remember Jeanette with an infectious smile on her face, a wisecrack to make and a kindness so rare in people today. Uncle John Prather and Aunt Jeanette did so well raising such remarkable girls and brother Burton and I feel lucky to have spent what little time we had with them. John Heinen, my heart breaks for you, but know that she isn't hurting anymore and wouldn't want you to.
