“ *We met registering our our oldest daughters for K-5 at St. Francis. Little did I know, but we became glued at the hip for many years. Between soccer, school, church and everything in between. My heart is broken, and I thought we were retiring together, but it wasn't meant to happen. She's with her soul mate Keith and I know they are enjoying heaven, but I sure wish this did not happen. We at least had a good time the last time we saw each other for Olivia's baptism. I will miss you until we meet again 🙏*

“ *My heart is broken!  
I think of all the good and sad times we shared. The wonderful neighborhood of Bienville we shared in raising our children. The basketball and soccer games, Bunco or just getting together in the neighborhood for a glass of wine.  
! I am so happy we talked in March but so sad we did not follow thru with our plans to meet for lunch/ dinner.  
Rest In Peace my friend!  
Love you!*

“ *My beautiful, silly, fun loving twinsie. You will be missed. You'll always be my twin and my partner in crime. You taught me everything I needed to succeed at work & had my back everytime I got stressed out; whether home life or work. I hate we never got to go wig shopping for crazy colors to mess with boss or dress up as Charlie's Angels for Halloween like we planned. No one will ever fill ur shoes..... My deepest condolences to the family. I love you twin, 5/23 💔*

“ Our deepest condolences to Jeannie's family and loved ones. Our children went to St. Frances Xavier together and we all have fond memories of the Petitjean family during that time. We remember Keith as well as the kind soul that he was and mentor to the children who played under him. May God grant Jeannie and Keith eternal peace and comfort and strengthen their family during this difficult time. We pray your precious memories of Jeannie and Keith will fill your hearts in this time of sorrow.

“ *The memory that I have with Mrs. Jeanie is whenever she would come in to work she would always be dressed so pretty and we would share where we would shop and get our clothes from lol. We would love to talk about places we have been and always about food that we liked eating. She will forever be in the hearts of those around her and she will live through us all. She was an amazing friend, mother, grandmother, and teacher. I love you Mrs. Jeanie forever and always*

“ Our hearts are sadden at the loss of a wonderful friend. I have such fond memories of the time we spent together in high school. Though the years sent us in different directions she was always in my thoughts. We know Keith was there to welcome her and now they are together again. Rest In Peace Jeannie. I will always cherish our friendship.
