Jennie and I were life long friends. I was at her house more than mine when we were kids. I think Mrs. Mildred just thought I was one of her kids and just served me lunch with the rest. I could write a book of activities and memories we shared. In our adult lives we each kinda went our own way but every few years we would get caught up on our families. We would pick up, liked we never missed a beat. Jennie was my friend then, she will always be my friend. Until we meet again, rest in peace Jennie. I prayed daily for her to not be in so much pain. I wish I could have spent more time with her, but due to my husband’s serious medical needs, I was unable to. My heart aches. Losing my husband and Jennie within a few weeks apart is rough.

Love you always Jennie,
