“ *To the family of Tooty he was a good man and will be missed , but I most remember most fondly is cooking food cause he worked on my sister's car I cooked meatball stew with potatoes and carrots when he got his plate he got a strainer and started taking everything he didn't eat out of his plate, and when he was done he had barely nothing left, I told him damn someone could of made a meal out of just what you don't eat...*

“ You had the biggest heart, ever! It was a blessing to be your cousin. When I would need a friend to hang out with, you were my go to. When we spent time together you had the power to make my worries and troubles melt away. You had that ability with everyone around you. I know what Aunt Carolyn and Uncle Albert, Mom and Pop and more are with you right now. I will miss you dearly, your little Cuz.
