“ I was so sorry to hear of Jessica’s passing. My deepest sympathy to the Falcons and Millers.
It’s been many years since I’ve seen Jessica, but I remember so well the fun times we spent together as children during the Young’s annual summer visits to Louisiana.
“I will not leave you comfortless: I will come to you.” John14:18
May the certainty of God’s love bring you comfort.

“ Jessica, along with all the Falcons and my Louisiana cousins enriched my childhood. You all have had color to my life. My Louisiana family gave me a loving and caring foundation to base a life on. Jessica always had a smile to share. Her genuine love for people radiated from her heart. This is what she taught me. Thank you for being part of that foundation. Because of this, you have added value to other people’s lives that you never knew. Love you cousin.

“ Jackie Jennifer and all of your family, we are with you in spirit. Fond memories of whenever you girls would bring your mom to visit my mom and they always had to have their donuts and boudin. My heart goes out to you girls because I know how difficult and yet rewarding being the caregiver for a close family member can be. I think ya'll probably feel the way I did, so very blessed to have these precious months with Jessica. Be assured of our continual prayers the days and weeks and months to come as you mourn her passing, finally come to acceptance, and learn to go forward with her always in your heart and cherishing all of your memories. God holds us all in the Palm of His Hand He knows the number of hairs on our head and loves us more than we could possibly imagine. Although we are all sad that Jessica has passed on, but I am sure there was much rejoicing in Heaven when Jessica was welcomed into the loving Arms of our dear Lord and then welcome by your mom, dad, and all of our precious family members who have passed on to their Eternal reward 🙏🕊️🙏
