“ We had good times together, Jo. I will always remember the times i got lost. You had a phenomenal sense of direction and no matter where I was a call to you would always get me home. Your friendship was a treasure and the few times you were able to spend a few days with me, the fun we had, the crazy things we were able to do together were a blessing. You are finally at peace , my friend, in the arms of Our Lord. Until we meet again, I love you and will miss you!!!
