“ Our hearts, thoughts, prayers and condolences for all! Jonathon coming home today after finding out you have went to that mighty mansion for everlasting life, having to tell your Lil' Buddy, Lil' Dickie, who thought the world of you because of the inspiration, love and support you gave to him before and after his accident was extremely hard!! My, the many long visits at Murphy's, full of laughter to bring him up when he was down!! He would see your car and we would have to pull in!! I want to let everyone know this man blessed our family with a lot of kindness, support and love that meant so much!! You will be greatly missed by all our family!! We love you to the moon and back Like Jesus Does!! May you rest in peace and may peace be with you!! Until we meet again my friend.....
