Tribute Wall

“ *The death of someone close to us leave us shocked with grief. We cannot understand how one minute this person was here and the next they are gone. The truth is that those we love are never truly gone. The body may have run its course, but the soul lives forever.....*

*We little knew that morning God was to call your name,
In life we loved you dearly, in death we do the same.
It broke our hearts to loose you. You did not go alone.
For part of us went with you The day God called you home.
You left us beautiful memories, Your love is still our guide,
and though we cannot see you, You are always at our side.
Our family chain is broken, and nothing seems the same,
But as God calls us one by one, The chain will link again.*
