“ Hi my name is Cora Minix and I used to be Joshua James Bourque girlfriend. I remember our first kiss, we were 7th graders attending Armstrong Middle School dance and we kissed right in the 6th grade girls bleachers. We also had our first slow dance and decided that (Big Green Tractor) was our song. We've been dating since we were in 4th grade - 10th grade. It's funny how time flies by so quick. I'm just sitting here thinking about the times we had. Though I moved away from rayne to lake Charles we decided to be friends until we meet again. The sad part is that I didn't even have a chance to say good bye or get one last hug🥹🥹🥹. At first I didn't believe he was gone so soon until one of my friends called me and explained to me what had happened. Hearing the news wasn't very pleasant at all bc I felt so empty and broken inside. I had to ask God ,why him? Why so soon? I just couldn't think straight. And here I am trying to hold every last tear drop of memories inside to type this. It's really hard to believe that your gone Josh but just know that I will always love you. You will forever have a place in my heart . I love you🥹🥹🥹 Rest Easy In Paradise

“ When Josh attended Pineville High School, he and my daughter became good friends. I met him once – the day/night before he moved back to South Louisiana. He was very kind, well-mannered, and treated my daughter and I with great respect. Unfortunately, we lost touch with him. Our hearts were deeply saddened when we heard about his transition, and we're terribly disappointed that we'll never have another chance to visit with him. My prayers are with the Bourque family during this difficult time. May you, my daughter, and I find comfort and strength in God now and forever. God Bless You.
