“Joyce was my first cousin who would come to Lafayette and play with my sister Dorothy Thibodeaux. Joyce would bring me her hand me down dresses, which looked like new. Aunt Monique would always have the best for Joyce. In her memory I will plant a flower in the garden. Would someone send me the name of her special flower. Our prayers for the family. This special lady will be missed.

Gladys, Mom loved gladiolas in her yard and had them planted outside her kitchen window. She loved arranging them in vases as well. Thank you for your fond remembrance of Mama.

“ I never had the opportunity to meet Miss Joyce but have heard so many stories about the love she held for her family and friends, and the sweet friend she was to all who knew her. I hope the grief of her passing will be eased somewhat by happy memories of a long life, well-lived.

I have so many wonderful memories of my dear Godmother, as I think of the times we spent together at Christmas and on birthdays. I loved to visit her because she always had a big smile for me and made me feel welcomed! On my birthday, I could wait for her visit. She arrived with a gift for me, and we enjoyed having coffee and visiting. She was so special and I will miss her very much! Rest in peace, Joyce.
