“ Always willing to lend a hand, always a kind word, always a smile and a story to make you laugh.... preparing elaborate holiday meals for us just so that we could celebrate our little work family holidays. There are no words to describe how this soul will be missed. You brightened my day every time you stopped at my door or ran into me in the halls in the afternoon. Your spirit leaves those of us you touched and had the pleasure to know you in gratitude for having you in our lives. I hope to hear your laugh every time I regret that you had to leave us so soon. RIP my dear friend and may God hold you and keep you until we meet again.
