“ *Oh the memories of Kathy goes back in 1976 Thur 1978 as a classmate and a friend she never fear of clowning around with you even if she was with a whole lot of blacks back in the day at school she led a lot of her classmates and friends on how to do this she had it in her she was a natural. I love her friendship then and even now and so many went by since I seen her. There will be a lot of laughter up there in heaven you fought a good fight down here may your rewards be held in heaven it still hurt in hearing about your passing we need more laughter here with you telling it. Rest In Peace my classmate and friend always.*
