“ I am so very sorry to hear of Keith's passing. We were cousins--- our fathers John Calvin and Kenneth were first cousins. We grew up together in El Campo in the Town and Country subdivision and played outside all the time-- lots of army and kick the can!!! We loved those summer days! Praying for all of his family now as we rest in the assurances of our mighty God-- our Lord and Savior, whose promises are pure and good. Our fathers have met up again in Heaven, and we will all be there together again one day. Sending so much love and many prayers to you all. “ My prayers and sympathies go out to Judy and the rest of the family. I have only fond memories of wonderful times growing up with Keith spent playing sports, hunting, fishing and working on his family's rice farm. Keith served in the military and later made his home in La. He made efforts to come back to El Campo when he could to visit. Keith was a terrific guy who will be greatly missed by all.
