This news just breaks my heart. Kenny and I were close in our high school years, but unfortunately, we lost touch when I moved out of state for college. I'll always remember him as a very sweet and special guy. More kind and sensitive than he wanted to let on, but also fun-loving and quick-witted. Needless to say, he was a very talented athlete in multiple sports and he worked hard to improve his game. My heart-felt condolences to his whole family. He left this earth much too soon. I know he will be terribly missed by his family and friends. I wish I had stayed in touch better. I didn't even know he was sick. But I know Kenny Hensgens will always be remembered by all of those who knew and loved him.
