To my cousin, Kevin Ray, I miss u with everyday that passes. The selfish part of me wishes u were here.. But God had other plans, for whatever reason we may never know.. I think about all the times we shared growing up and it can be hard at times.. But I know ur up there with my mom and other loved ones watching over us.. I hope heaven is as beautiful as we could ever imagine that it would be.. U and Tori will forever be in our ❤️💕 hearts.. I miss u Squeak.. Tell my mom that I love her and give her a great big hug for me...
