*I'm so sad to see this. Kim was one of my best friends in high school and after. We took classes together at DeAnza college and got into a lot of trouble together. We saw Woodstock at the drive in 17 times. Sometimes in a VW bug that we needed to push to start. We would wait for everyone to leave first. Kim was a sweet, funny, and loving friend. My sincere condolences to Dale and Pam, who was sometimes involved in our adventures.*
