“ Dear Jean and Family,

The sting of death is so painful that words fall short of expressing the deep sorrow we feel. Laurice was a joy to be around. I have so many fond memories of the happy times we've spent with ya'll--from eating gumbo at DI's to going to Graceland when ya'll came to visit us. I know you will be lost without your life partner, but you have so many people who love you and they will be your support in this difficult times. You all will be in our prayers.
