“ I usually sat next to Lawrence when the Germanfest singers got together to practice for our performance at the Germanfest. Lawrence took the singing seriously and also enjoyed the camaraderie that was a big part of being in the Singers. He liked to call me "Yip". He was larger than life and will be missed.

“ There is no way to express my feelings of sadness for you all! I pray that God will be with you as you mourn your recent losses! I can't and honestly don't want to even imagine what you are all going through at this time... While God's will is often difficult to understand, we know He does have a plan and that we must trust in Him to carry us through... May you feel His presence each and everyday as you all adjust to your new reality....
