“ Mrs. Linda was an absolutely amazing beautiful woman inside and out. No matter what she was going through she always had a smile on her face. She was always willing to help no matter what. She seen the best in everyone she crossed paths with. She always had a great sence of humor and always encouraging words. She taught me so much in our career path. She was not only a co worker but a friend and family. She is loved by many and will be missed.

“ Dear Mr. Piggy and family,

I am so sorry for your loss. Linda was such a special person, so warm, loving and kind. I have many fond memories of her growing up; Linda and Piggy always supporting us kids. She was so quick witted, very seldom did you walk away without her bringing a smile to your face or a giggle! Luckily, I ran into her and Piggy during the last few months and still as she fought this horrible disease she was smiling and of course witty, leaving me with a smile! My thoughts and prayers are with the entire family during this difficult time.

“ I lost a beautiful friend yesterday. But she has left me with so many wonderful memories we shared through the years. Just being a longtime friend in itself was extraordinary. My dear friend always appreciated the good in me, and overlooked the worst. And she loved her family so much -- many times we laughed and cried over what was happening in our lives. The memories we made will last a lifetime! And when she got sick, she faced her illness with such courage and faith. She was truly an inspiration to me. Goodbye my friend, until we meet again! I'll always love you ----- Helen
