“ *I had the honor of being Ludrine and Nellie's next door neighbor when they lived next to Mire Elementary. He was one of the wisest persons I have ever known. When I visit with Brent, I realize that the apple didn't fall far from the tree. Nellie and my mother became best of friends and she became Granny Reed.*

“ Brent,

*I am so sorry for your loss. Your dad was one of the finest men I ever met. The love that he had for you was always evident, even to me when I was a mere kid trying to coach a baseball team. I am also thinking about Margaret as the admiration she had for him always came through loud and clear when she would mention his name, so much so that it is a strong memory today....40 years later.*

*Brent, So sorry for your loss. I'm privileged to have met your dad. Mr. Leger was an awesome person. I will miss the laughs, the talks, and the dances. Mr. Leger will be sadly missed. His legacy lives on through you and your daughters. Mr. Leger have a wonderful and beautiful daughter-in-law who was always concern about his well being on a day to day basis. My mom use to say, "give me my flowers while I can smell them". Well, everything I just said was already spoken to Mr.Leger. Fly High! Your caretaker and friend always Joanne*
