“ *My heartfelt sympathy for the whole family and close friends. I only knew "Poppa" through Erline and it always warmed my heart to hear he speak so highly of him. He certainly raised an awesome daughter and I'm sure it was a reflection of the person he was and the kind of father/husband/friend he was. May his love and warmth live on forever in your hearts!*

“ *When Crystal was a little girl, two or younger, Pop would hold her in his chair and play this "catch it if you can" with a toothpick in his mouth. Every time Crystal would try to grab it, Pop would quickly pull it back into his mouth. Crystal would laugh as Pop continued this for sometime until he eventually allowed her grab the toothpick to Crystal's delight. Silly little game but a find memory I will cherish for a lifetime.*
