“ Ms Margaret-what a true pleasure to have been a part of your journey. Enjoyed seeing you, talking to you each day, always asking about my family and the children, who absolutely love you. For my little one to call you her best friend shows your true heart. We will miss you but I know that you are flying high with the Angels up above. Thank you also for your nursing service to others. May you finally rest in peace.

“ Awesome to be her friend—she would say often I don't know why the lord is keeping me here—there were these 3 ladies that always sat with her for meals—they had dementia and looked forward to sitting with her—they will miss her—she had a bird feeder by her window and all the birds would go to her feeder instead of the others—it was awesome to watch—she loved those birds—I will miss seeing her at meal times and the beauty shop—my friend—
