Mariette was a good friend of my mother, Melba Petitjean Johnson. They played cards, games and traveled.

“ *Although she was a year ahead of me in school, we knew each very well especially on basketball court. Our friendship rekindled after she moved back to Rayne, and we often played cards together in her apartment house. After her residence became the Ellington, I made it a point to visit her each time I went there. My last picture of her and with her was shared with one of her classmates Jack Guidry who lived in New Orleans. Eternal Rest grant unto her O Lord.... Jeanette Guidry Leger*

One of my best friends for over 70 years. I will miss her! We got close again when she moved back to Rayne. She was my walking buddy early in the morning. Rest In Peace my precious friend 🙏🙏🌈

To one of the sweetest ladies that I have had the pleasure of knowing. Even though she is my related to me she was my mama's first cousin and she and my mom were close. Ever since she moved back to Rayne there was never a time that I saw her that she didn't talk about my mama and how much she missed her. Well I know they are having a grand reunion now. Such an example of showing love. RIP my sweet cousin...
