“ *Gerard, Debbie and Family,  
Thinking of you and keeping you in our prayers. On Sunday, God gained a wonderful angel who had so much compassion for so many people as well as for our mom when she was living, We remember mom talking about Mark's many visits, lunch dates, afternoon rides with Mark "chauffeur" her around when she couldn't drive, etc. He stopped by to lend a helping hand when we were packing up mom's house. Mark made you think that he was rough and tough but on the inside he had a heart of gold. Blessings and love to all of you!

“ No doubt that this big teddy bear left because he had a greater calling! I can only imagine ruby red tractors & golden grains! Mark was always the quiet one in a room full preoccupied people. His size may have brought about the attention but his heart kept it! I am grateful to have known such a young hard working man devoted to farming, family & friends! Happy heavenly birthday Mark!! Prayers of comfort & peace to your loved ones!

“ My heart is so very full where do i begin to start. I have so many memories and great stories. By far the best one is one night sitting in my car i was upset because a so called friend hurt me. I said it makes me wonder if i really have friends. Mark turns to me and says with tears in his eyes " remember i am your friend and love you and would never hurt you, when you get sad think of me and that should make u smile big big". How rite he was. Thanks for all the good times! Love u my friend!

“ *Mark and I have been friends since high school. He was a friend that help me through some really tough times. He knew just what to say no matter what the situation. The memories I have of him will never be lost. He will always be loved. I will always remeber the bbq's, the country drives, the phone calls and the request for crawfish dip. Mark loved the farm life and i loved to hear his excitment when he talked about that way of life. I will always remeber him every time i visit my brothers on their farm. I will miss you very much and pray that you are in a much better place. Rest in peace Mark. Prayers for the Olinger family.*

“ I've known Mark since we were kids. We worked out at the gym together, we ran the roads in our younger days together and always kept in touch. He would stop at the flying service about once a month to visit and when I had the two Seat Thrush, I took him flying. I remember how he enjoyed the hell out of it. He loved farming and being around the whole farming business. He was a good friend and I'm very glad to have known him and I'll never forget him.

“ Mark you were always the person that I looked for when I ever needed help with anything. You were a good friend, mentor and a brother figure. People like you come once in a lifetime time to leave a lasting impression on those around you. You were a big guy with an even bigger heart. As tragic as these past few months were, you were a joy to be around and we were able to experience your love. I know you are going to a better place and you will always be remembered for who you were. May you rest in peace
