*Mary was a very sweet lady. She definitely loved her family. They were everything in the world to her. she made the most delicious pickles. She was very talented in many ways. But above all she loved Jesus. How awesome is that.*

“ *I was 16 years old when Mary married Wendel Boulet from our church. So I've known her for many years and she's been such an awesome amazing Christian woman. A few years back my husband I went out for dinner at Fezzo's in Crowley. Being there for a little while we realized Mary and Wendell were there as well and we went and spoke with them for a moment. Upon completing dinner, we went to pay the check and to our surprise our bill has been paid. The message left "pay it forward." How awesome! Mary lived as an example to all who knew her. Rest In Peace my friend!*

“ *So sorry to hear. We didn't see each other often but she is a sweetie. I helped her Mom with her hearing aids and heard how wonderful Mary was from her Mom. Moms always know their child's heart.*

“*Rest in God's peace my dear sister. There is a huge emptiness in my heart and soul. We've shared so much through the years. I pray you knew the depth of love I held for you. Losing our parents was hard but this surpasses all. My consolation is knowing you are whole again without pain or suffering. I know without a doubt you are basking in the glory of Heaven. Rest high on that mountain sis. I'll continue to watch over Nichole and Windel. Save us a spot. I love you to Heaven and back.*”

“*She was the most devoted mother and coworker. Working with Mary for over 20 yrs you get to know that person's heart. She was a giver, kind, devoted individual who cared for her patients. She left her mark on all who knew her and was privileged to have known her. Rest in peace dear one.*”
