“ Mom was one of the most beautiful people I have ever had the pleasure of meeting. She was so funny and both her smile and laugh was not only contagious but it lit up the room! She would often call me just to talk and she never failed to make me burst into laughter. She really was a true gem. I'm so thankful that you took me in as one of your own, mom. You'll be forever loved. And don't you worry, I will take care of your "sha little handsome boy" (Trent). We both love you so so so very much.

Your warm smiles, and kind words will be missed. I will always remember our little talks when you came to our office for an office visit, some of the stories and laughter we shared will always be remembered. RIP sweet lady.
