“ Im happy that I was able to drop in for a visit this past year w/ my grandmother n law & bring her the "Mothers Day "bouquet I had gotten esp. for her. We really had a good visit & I feel so fortunate to have had that lil time with her now knowing she's not with us anymore! 😭 I am truly saddened about the loss of such a strong, loving, selfless and beautiful woman!! I am grateful to have been a part of her great big wonderful family she loved so dearly! I know Brennan my ❤️ & the rest of the family will miss her a whole lot & all of them are in my thoughts & prayers today & always. I love all of you and please accept my condolences and love I am sending your way!❤️

Thank you Shae Hawley. Brennan and I were able to spend the majority of her last day here with us at her home. I had the pleasure of learning something from her that day; as I always did when visiting. She was so passionate about her cooking! She not only passed her love to Brennan and I that day, but she gave us her recipe on how to bake our favorite "Chentilly Cake." And then she and I started baking! It was a success as ALL of her baking and cooking was because of all the love that was put forth. Brennan and I were also able to work in her garden awhile. We very fortunate and ever so grateful to have had the time we did with her and yes she will be dearly missed as she is already. Please keep our family in prayer. Thank you and God Bless You.

You sure are right about her and her cooking Kimberley! She worked so very hard for Brenn and I's wedding rehearsal supper in which she insisted on hosting at her beautiful home. She prepared the best Crawfish Etouffee with all the delicious trimmings of course. Such an incredibly strong, determined, wise, talented, beautiful Lady she was! I'm really happy you also had the pleasure of meeting her and learning a few wonderful insights into what made her the amazing Grandmother to Brenn, myself, our boys along with each and every one else in her very large and beloved family in which she truly adored! 🥰 She will definitely live on in the hearts of all those who had the honor of knowing her as she will be forever in mine! Brennan knows I do not mind a bit or nor do I need to be given a thank you for keeping everyone in my prayers at all. That is jus something that any family member would do hunn! I sincerely do appreciate the gratitude and I will offer it up to our awesome God above in order to thank him for blessing me w/not only her but Brennan her amazing Grandson, Patricia, her inspirational daughter and all the rest of the family I still love & consider my own today! May God comfort each and everyone at this very difficult time and allow Maw Maw Mary's beautiful soul to always shine bright for all of us in each nights sky that passes! 🌍💕 Love & 😊 Blessings to all & really wish I could have known in time to pay my respects and give u all my condolences in person but I unfortunately did not . My heart is truly a lil happier tho now knowing that she did get to spend quality time w/ her special Brenn tho- oh how she adored him so & but how could anyone not! 🥰❤️

“ *Memories of Mary & Mom (Margaret Thibodeaux) go back as far as I can remember. They were great friends, awesome shoppers, diligent seamstresses and adventurers of the highest order. Rarely was one without the other and Mary has been part of my life for many many years. She was a trooper and never stopped...even to the last day of her life. She has been a major part of my family and can never express the love I will always have for her. My prayer is that she and Mom are now happily together again and off to new adventures until we all meet again.*

Wishes that her family left behind will find peace and remember all the laughter & happy times Mary provided over the 90 wonderful years of her life. May she rest in peace.
