“ *Life will be changed forever... morning coffee with our talks, along with your smile and hugs!!!*
God has blessed me with more than just an Aunt. With only a 10 year difference I was also bless to have a best friend, sister, and Aunt all wrapped up in one. You played such a big part of the best childhood a kid could ever ask for!
As the years fast forward I was also blessed to watch you become a mom, a grandmother and a great-grandmother.

You have touched our lives in ways that will stay with us always.

I love you with all my heart forever May!!!

“ *The love Tauntsie has for her family is very evident. I have always felt she loved me and accepted me for who I am and I always looked forward to visiting her on my trips back home. Visits back home will not be the same without her there. Actually, life all together will change. I will miss Peggy telling me how she talked to Tauntsie about my adventures and how they both laugh at what I am up to. I count myself very blessed to have Tauntsie in my life. I think the hardest part is how sad my mom, Janelle Cormier, would be at the loss of my aunt.*

To see the great joy in Tauntsie’s eyes as she talked about Becky, Jessica and Nick and the even greater joy expressed in her smile for Hayes and Demi warms my heart. I feel the love Tauntsie has for her family defines who she is. I hope the extended family comes to understand the love she has always had for them. Great comfort can come from knowing in the next blink of an eye I will see Tauntsie again. It won’t be long now. Until then I hope shows knows I love her forever—to the moon and back...
