“ Monte,

*You have my deepest sympathy. Aunt Gay was always a special Aunt to me throughout the years. And yes, her hot tamalies made special memories for me too. She will be dearly missed by all of us. Just know that you and your family will be in our thoughts and prayers in the days ahead.*

“ To Gay's family: I was deeply sad when Morgo called me this afternoon. Since graduation from RHS in 1950 we hadn't seen her to often, but last year she was with us for such a good reunion. It was so nice to see and visit with her and to think today she's gone to meet her maker. My sympathy to all and even more so that I could not make it to Rayne. I will always cherish the day we got to visit at our 60th class reunion. A friend from years back....
