“ I am so saddened to hear of Mrs. Boudreaux's passing! She's just always been there, and it's sad to know that she's not alive in this world anymore! Mrs. Boudreaux was my Civics & French teacher at Notre Dame from 1983-1986. She took me to several French competitions and was such an encouragement to us all. How she ever put up with us, I don't know, but she did and we all knew how much she loved us. I hope that knowing how much she lives on in so many of her student's hearts will bring you some comfort. She has earned a wonderful place in heaven because her heart was so full of love!

You are all in my prayers.

Sincerely,

Mary Ellen Sweeney

“ Mary and Robert I extend my sincere condolences. Your mother was one of my best memories from Rayne Catholic. She was a inspiration to me and I to this day remember her taking me to LSUE to compete in a French competiion. She was an awesome lady and a great teacher. She has touched so many students in her career. She was a great mother also and I know you both will miss her dearly. We will miss her grocery shopping at Trahans also. We are in Savannah, Georgia or would be there to pay our respects in person.

God Bless, Georgette and Pie Richard

“ I was blessed to have Miss Boudreaux for eight years as my french teacher. It was always obvious that she cared so much about her students and the french language she tried so hard to teach us. She was so kind to me, like I was a special student of hers. I pray that God will provide peace in the midst of their pain, and healing to come quickly.
