“ *Kathy and Tom were our next neighbors for years. She loved to work in her yard with all her beautiful flowers. I used to tell her I loved to look in her back yard with all her flowers in bloom. She loved to bake and would bring us all kinds of goodies. We used to look after one another and I will miss seeing her. But when she told me she was sick the last thing I said was Kathy I'm here if you need anything and I love you and she answered thanks Nita and I love you too. Words I will cherish forever. RIP Kathy until we meet again.*

She was a lovely lady who ended up marrying her high school sweetheart that was a friend of mine and an awesome man so that being said they were where they were where they were supposed to be and enjoyed the last years of her life.
