“*Merlin was my best friend in Hi School and beyond. A brilliant man that could do anything. I knew him and his wife Pat, we all went to St. Joseph Hi in Rayne. We were out together 3 or 4 night a week for years. Merlin shared my love for fast cars and we spend many night street racing in the Rayne/Crowley area. I am so sad that I have just found out about his passing. I would have gone to the funeral.*

“ We were so sorry to find out about Merlin's passing. He and I grew up together.

*Besides being related, our two families, the Allemans and the Breaux's were paired by age and spent our childhoods together. We had not see each other for years, but finally got to see each other at my brothers funeral. May his soul rest in peace.*
