“ From the day I met you, i knew we would get along. 5 years later and you mean so much to myself and my girls, you loved them like your own. From our inside jokes about orange juice and picking football scores, to me teaching you to txt and so much more bud, I love you so much and am blessed to have had you in my life. My heart is broken but our last visit helped me know your peaceful and smiling down on us all. Rest in peace my dear sweet friend. Eat a slice of breakfast pizza for me.

“ I want to applaud Mandy and Brooke for taking care of their Father in his time of need. He was proud of both of them. Mike was my friend and I will miss him very much. He was always very kind and thoughtful with his words. As I am a witness he was a peace maker. "Peace makers shall inherit the Earth". My self and Mike spent a lot of time Duck hunting, fishing, crabbing , and BBQing . He was the BBQ master. He also helped me get back on my feet after a bad reck. Good memory's.

“ I didn't know my father Michael David Bercier until I was in college. After we met he welcomed me into his home and his life. I met my wonderful step-sisters and my Grand Father through him. He was a wonderful, loving human being. I wish that I had known him better. May the Lord keep his soul safe until we all can join him in Heaven. Love.
