“ Mike. Life isn't the same. Laughter isn't the same. Nothing will ever be the way it was. My purpose to stay on a straight line has left the world. You were the most sincere man I knew your crooked smile bobble head and goofy laugh will always be embedded in my mind and soul. The world may never know or understand what we had nor the memories we shared. I see ava at family gatherings and she reminds me so much of you, she's a great big sister and Ethan takes real good care of her. In fact he speaks of u often, seems to be the only factor that keeps me sane. I cannot cry anymore because ik you're ok. I know you are somewhere traveling somewhere on this planet, I know we will meet again. I hate days that I just feel u soooo near and even more days that I can't feel your presence. I try my best to continue to be strong but it's hard to be strong when your main homies gone. You were unique in all forms and so different from all the guys I knew. U treated me like we were truly related. I never felt left out or unimportant when I was with u, we never ran out of words to say things to discuss or future plans. I pray your mom's pain soothes soon. I hate that look. It's the same one my mom makes over marlin. Smdh. This is still so unbelievable like I never expected anything. Anyhow u love you I'll get to u when I can. Wait for me??
