“ Brittanie & Haleigh - your mom was the kindest person God ever created. Her generosity and love surpassed all boundaries. Her pain is no more, though yours is deep know we love you both and if you ever need we are just a phone call away. She will be missed by all those whom she touched during her life. Remember what she taught you, what she showed you, and how much she so loved you both! Keep God first, He will be there to help you both.
