“ I am so very sorry that a great friend and former Co-worker at ISCOLA will not be around to chat. Milton will always be remembered as someone I could trust and depend on at work. He was my right hand man. I will always remember him for his loyalty to God, his family, his co-workers and the Marine Corp. God Bless you Milton, cause you will be guarding the gates of Heaven for us

“ I just loved this man!! I have many many memories traveling in his wall to wall carpeted van while he took me and Helena to gymnastic meets! I still would see him in Moss Bluff and we would talk and laugh. God Speed my friend! 🙏

“ Mr. Milton and I met in Lake Charles, LA when I was leading a guided tour of the lake via stand up paddleboard. We immediately clicked and kept in touch over the years, sharing “happy birthdays”, “congratulations” on life’s milestones, and even getting to participate in an obstacle course race together. He shared such a zest for life and reminded me of what it meant to really live it to the fullest. He’s an inspiration to me and I’m a better man because of meeting him. May he rest in peace (which for him means skydiving, SUPing, and reminding us of how special our lives are).

“ Mr. Milton will be missed he always encouraged me to keep pushing while I was getting my degree. We prayed over the phone for Mrs Earline all the time. Mr. Milton and I shared the same birthday and he would call and say “ “Happy Birthday Girl How young are you” and then we would laugh. My kids and I will miss him so much. My thoughts and prayers goes to the Pharr Family may God provide you all with peace and strength to get through this tough time.
