“ This will be hard for all of us to cope with. She was the best grandmother anyone could ask for always put other first. Idk if I could choose just one fav memory of may-maw but i can tell yu one of her fav memories and that is the day she first looked at her great granddaughter, Kamrynn Elizabeth Miller. She couldn't have been more happy. She sure loved that girl way before they ever met. And she loved us so much. She would have risks it all for any of her family n friends at the drop of a dime. Yu will be missed n loved all the days of my life. Yu will never be forgotten. God got his angel bk when he called yu home yesterday. Our time w yu was up but will one day live beside yu again. God bless yu !

“ Jackie Jennifer and Jessica, my heart goes out to each of you as well as with your brothers and your entire family. Mona Rose was a jewel. I can still see her sitting at the kitchen table when she came to visit mom and Mom would send Janie to town to get sweets and boudin which neither one of them were supposed to be eating in the first place. And I remember y'all bringing Mona Rose to visit with Mom not long before her passing and how much Mom enjoyed that visit and spoke of how much she treasured the memories that she and Mona Rose had made through the years. Hold Tight To All the memories that y'all have made as a family because they will indeed bring you much comfort and consolation now and many years to come. May God bless each of you with peace and much love from all of your family and friends during this difficult time.
